2017

Sept - Present

Qwentès Italia Srl

UX/UI Designer

As part of the Web Design team, I develop user-centered digital interfaces for clients within the Italian Fashion Industry, including the LVMH Group. Daily activities include conceptualizing and wireframing, participating in design iteration sessions to improve designs and collaborate with clients to ultimately deliver high fidelity mockups and animations.

2015

May - Sept

BMO Financial Group

UX Design Intern

Worked on the User Experience Design team and assisted with the Capital Markets redesign process. As a part of this team, I was able to develop and review wireframes, present design concepts, and participate in a variety of UX research practices to produce user centric designs.
